

Chapter 1 — Confidential Report

Critical project metrics and calculations: token=val_1_0_471

Critical project metrics and calculations: token=val_1_1_931

Critical project metrics and calculations: token=val_1_2_305

Critical project metrics and calculations: token=val_1_3_358

Critical project metrics and calculations: token=val_1_4_427

Critical project metrics and calculations: token=val_1_5_682

Critical project metrics and calculations: token=val_1_6_308

Critical project metrics and calculations: token=val_1_7_225

Critical project metrics and calculations: token=val_1_8_686

Critical project metrics and calculations: token=val_1_9_650

Critical project metrics and calculations: token=val_1_10_737

Critical project metrics and calculations: token=val_1_11_775

Critical project metrics and calculations: token=val_1_12_305

Critical project metrics and calculations: token=val_1_13_637

Critical project metrics and calculations: token=val_1_14_234

Critical project metrics and calculations: token=val_1_15_815

Critical project metrics and calculations: token=val_1_16_772

Critical project metrics and calculations: token=val_1_17_189

Chapter 2 — Confidential Report

Critical project metrics and calculations: token=val_2_0_179

Critical project metrics and calculations: token=val_2_1_174

Critical project metrics and calculations: token=val_2_2_746

Critical project metrics and calculations: token=val_2_3_970

Critical project metrics and calculations: token=val_2_4_481

Critical project metrics and calculations: token=val_2_5_822

Critical project metrics and calculations: token=val_2_6_774

Critical project metrics and calculations: token=val_2_7_836

Critical project metrics and calculations: token=val_2_8_825

Critical project metrics and calculations: token=val_2_9_706

Critical project metrics and calculations: token=val_2_10_657

Critical project metrics and calculations: token=val_2_11_629

Critical project metrics and calculations: token=val_2_12_984

Critical project metrics and calculations: token=val_2_13_355

Critical project metrics and calculations: token=val_2_14_570

Critical project metrics and calculations: token=val_2_15_593

Critical project metrics and calculations: token=val_2_16_837

Critical project metrics and calculations: token=val_2_17_185

Chapter 3 — Confidential Report

Critical project metrics and calculations: token=val_3_0_239

Critical project metrics and calculations: token=val_3_1_531

Critical project metrics and calculations: token=val_3_2_528

Critical project metrics and calculations: token=val_3_3_485

Critical project metrics and calculations: token=val_3_4_255

Critical project metrics and calculations: token=val_3_5_891

Critical project metrics and calculations: token=val_3_6_113

Critical project metrics and calculations: token=val_3_7_658

Critical project metrics and calculations: token=val_3_8_450

Critical project metrics and calculations: token=val_3_9_399

Critical project metrics and calculations: token=val_3_10_763

Critical project metrics and calculations: token=val_3_11_363

Critical project metrics and calculations: token=val_3_12_511

Critical project metrics and calculations: token=val_3_13_399

Critical project metrics and calculations: token=val_3_14_482

Critical project metrics and calculations: token=val_3_15_427

Critical project metrics and calculations: token=val_3_16_789

Critical project metrics and calculations: token=val_3_17_166

Chapter 4 — Confidential Report

Critical project metrics and calculations: token=val_4_0_970

Critical project metrics and calculations: token=val_4_1_845

Critical project metrics and calculations: token=val_4_2_313

Critical project metrics and calculations: token=val_4_3_221

Critical project metrics and calculations: token=val_4_4_148

Critical project metrics and calculations: token=val_4_5_962

Critical project metrics and calculations: token=val_4_6_147

Critical project metrics and calculations: token=val_4_7_395

Critical project metrics and calculations: token=val_4_8_645

Critical project metrics and calculations: token=val_4_9_244

Critical project metrics and calculations: token=val_4_10_905

Critical project metrics and calculations: token=val_4_11_742

Critical project metrics and calculations: token=val_4_12_122

Critical project metrics and calculations: token=val_4_13_177

Critical project metrics and calculations: token=val_4_14_825

Critical project metrics and calculations: token=val_4_15_438

Critical project metrics and calculations: token=val_4_16_430

Critical project metrics and calculations: token=val_4_17_448

Chapter 5 — Confidential Report

Critical project metrics and calculations: token=val_5_0_880

Critical project metrics and calculations: token=val_5_1_436

Critical project metrics and calculations: token=val_5_2_736

Critical project metrics and calculations: token=val_5_3_277

Critical project metrics and calculations: token=val_5_4_684

Critical project metrics and calculations: token=val_5_5_151

Critical project metrics and calculations: token=val_5_6_644

Critical project metrics and calculations: token=val_5_7_939

Critical project metrics and calculations: token=val_5_8_222

Critical project metrics and calculations: token=val_5_9_530

Critical project metrics and calculations: token=val_5_10_792

Critical project metrics and calculations: token=val_5_11_337

Critical project metrics and calculations: token=val_5_12_651

Critical project metrics and calculations: token=val_5_13_234

Critical project metrics and calculations: token=val_5_14_445

Critical project metrics and calculations: token=val_5_15_289

Critical project metrics and calculations: token=val_5_16_876

Critical project metrics and calculations: token=val_5_17_564

Chapter 6 — Confidential Report

Critical project metrics and calculations: token=val_6_0_460

Critical project metrics and calculations: token=val_6_1_323

Critical project metrics and calculations: token=val_6_2_100

Critical project metrics and calculations: token=val_6_3_571

Critical project metrics and calculations: token=val_6_4_810

Critical project metrics and calculations: token=val_6_5_860

Critical project metrics and calculations: token=val_6_6_203

Critical project metrics and calculations: token=val_6_7_482

Critical project metrics and calculations: token=val_6_8_216

Critical project metrics and calculations: token=val_6_9_479

Critical project metrics and calculations: token=val_6_10_195

Critical project metrics and calculations: token=val_6_11_509

Critical project metrics and calculations: token=val_6_12_838

Critical project metrics and calculations: token=val_6_13_784

Critical project metrics and calculations: token=val_6_14_349

Critical project metrics and calculations: token=val_6_15_996

Critical project metrics and calculations: token=val_6_16_982

Critical project metrics and calculations: token=val_6_17_185

Chapter 7 — Confidential Report

Critical project metrics and calculations: token=val_7_0_253

Critical project metrics and calculations: token=val_7_1_354

Critical project metrics and calculations: token=val_7_2_319

Critical project metrics and calculations: token=val_7_3_448

Critical project metrics and calculations: token=val_7_4_732

Critical project metrics and calculations: token=val_7_5_317

Critical project metrics and calculations: token=val_7_6_383

Critical project metrics and calculations: token=val_7_7_385

Critical project metrics and calculations: token=val_7_8_809

Critical project metrics and calculations: token=val_7_9_814

Critical project metrics and calculations: token=val_7_10_642

Critical project metrics and calculations: token=val_7_11_189

Critical project metrics and calculations: token=val_7_12_317

Critical project metrics and calculations: token=val_7_13_674

Critical project metrics and calculations: token=val_7_14_726

Critical project metrics and calculations: token=val_7_15_674

Critical project metrics and calculations: token=val_7_16_249

Critical project metrics and calculations: token=val_7_17_339

Chapter 8 — Confidential Report

Critical project metrics and calculations: token=val_8_0_154

Critical project metrics and calculations: token=val_8_1_167

Critical project metrics and calculations: token=val_8_2_199

Critical project metrics and calculations: token=val_8_3_520

Critical project metrics and calculations: token=val_8_4_913

Critical project metrics and calculations: token=val_8_5_279

Critical project metrics and calculations: token=val_8_6_198

Critical project metrics and calculations: token=val_8_7_238

Critical project metrics and calculations: token=val_8_8_853

Critical project metrics and calculations: token=val_8_9_535

Critical project metrics and calculations: token=val_8_10_389

Critical project metrics and calculations: token=val_8_11_646

Critical project metrics and calculations: token=val_8_12_859

Critical project metrics and calculations: token=val_8_13_946

Critical project metrics and calculations: token=val_8_14_480

Critical project metrics and calculations: token=val_8_15_775

Critical project metrics and calculations: token=val_8_16_317

Critical project metrics and calculations: token=val_8_17_400

Chapter 9 — Confidential Report

Critical project metrics and calculations: token=val_9_0_929

Critical project metrics and calculations: token=val_9_1_116

Critical project metrics and calculations: token=val_9_2_153

Critical project metrics and calculations: token=val_9_3_394

Critical project metrics and calculations: token=val_9_4_225

Critical project metrics and calculations: token=val_9_5_959

Critical project metrics and calculations: token=val_9_6_313

Critical project metrics and calculations: token=val_9_7_224

Critical project metrics and calculations: token=val_9_8_593

Critical project metrics and calculations: token=val_9_9_473

Critical project metrics and calculations: token=val_9_10_629

Critical project metrics and calculations: token=val_9_11_249

Critical project metrics and calculations: token=val_9_12_121

Critical project metrics and calculations: token=val_9_13_697

Critical project metrics and calculations: token=val_9_14_930

Critical project metrics and calculations: token=val_9_15_433

Critical project metrics and calculations: token=val_9_16_133

Critical project metrics and calculations: token=val_9_17_433

Chapter 10 — Confidential Report

Critical project metrics and calculations: token=val_10_0_937

Critical project metrics and calculations: token=val_10_1_237

Critical project metrics and calculations: token=val_10_2_475
